

April 2024

GCSE exam season 2024

Dear Parent/Carer,

We are fast approaching the start of the GCSE Exams for 2024 and in a short time your child will be taking their next steps into further education, training or employment.

The exam season is a stressful time for pupils, and they are likely to be feeling under pressure. You can really support your child by ensuring that they eat properly and at regular intervals, get some early nights and have a quiet area at home to revise. You can support revision by asking questions from their revision material, providing encouragement and, if you feel able, the odd incentive to maintain motivation.

We are relying on them now to maintain their high standards right up until the very end of their school life and exams and look forward to seeing them at the Year 11 graduation and prom (dates to be confirmed).

Please find below the exam timetable. Please note that in addition to these public exams, functional skills exams, speaking and listening exams and practical exams will continue to take place.

AM examination start promptly at 9:00 am and PM exams start promptly at 1:00pm

If you have any questions regarding the exams, please do not hesitate to contact the school.

Yours sincerely,

Mrs A FitzGerald

Deputy Headteacher

Miss S Killgallon

Exams Officer
