

7th May 2024

Dear Parent/Carer,

World Culture day 2024

We are thrilled to announce that our school will be celebrating World Culture Day on 24th May. This is an exciting opportunity for our school community to come together and celebrate the diversity of cultures that make us unique.

To mark this special occasion, we invite all students and staff to wear traditional cultural attire from their heritage. Whether it's a vibrant sari, a colourful kimono, a dashing dashiki, or any other cultural dress, we encourage everyone to showcase their heritage with pride.

This day is not only about celebrating our differences but also about recognizing the beauty and richness that comes from embracing diversity. By participating in this event, we hope to promote cultural understanding, acceptance, and unity among our students and staff.

In addition to wearing cultural attire, we will be organizing various activities throughout the day to further explore and appreciate different cultures. From cultural food tastings to traditional music and dance performances, there will be plenty of opportunities for everyone to engage and learn.

We encourage parents to join in the celebration by wearing their cultural attire when dropping off or picking up their children. Your participation will not only make the day more memorable but also send a powerful message of inclusivity and acceptance to our school community.

Let's come together to make World Cultures Day a colourful and meaningful celebration of our diverse world.

Thank you for your support and participation.

Warm regards,

Amy FitzGerald
Deputy Headteacher

Melissa Bassett
Assistant Headteacher
